UPDATE

12/1/09*****

Due to administrative issues enacting this increase, and in order to have price sheets available in a timely fashion, this increase will be effective 1/4/10. We appreciate your continued support.

November 3, 2009

Subject: Malleable & Cast Iron Fitting Price Increase November 30, 2009

Our Most Valued Customers:

Please note that due to increasing health care, raw material costs, and rising energy costs, a 6% price increase for Ward Manufacturing fittings and cast products will be effective on November 30, 2009. This increase will replace price sheet 301008 dated October 13, 2008.

Price sheets will be available on our web page www.wardmfg.com as soon as possible.

Taking this opportunity, we want to thank you for your support. I, and more than 700 employees of Ward manufacturing, will continue to work hard to earn your business.

Sincerely,

Kieran Young
National Sales Manager Piping Products

COMMUNICATION ALERT	<p>As postage and material costs continue to escalate, please note:</p> <p>All future information or communications about terms, conditions, or pricing changes will be communicated via email and web posting.</p>
